Friday

- No School District Wide Non-Instructional Day

Message from the Admin

While we are very much focusing on having a great rest of the school year, we also have an eye on September. With that in mind, we would like to welcome parental input on the classroom placement of your child next year. Please do NOT feel that this is a requirement, but we would be happy to hear any of your thoughts about this. If you have any social, emotional, or academic considerations that you would like us to be aware of, please either talk with your classroom teacher or email: marthacurrie@surreyschools.ca. We would ask that this not be about any individual staff members, but, rather, information about your child's needs.

We must stress that all parental requests will be taken seriously because we believe in parents-as-partners, but they must be viewed as **requests**. We have to consider the needs of ALL of our students' best interests when we are putting together classes next year, and it is almost impossible to meet all requests.

We would ask that your input be sent to us no later than Thursday, May 23rd.

We were excited to have the BC Lions join us yesterday for a presentation about energy consumption and taking care of our planet. The kids had fun with the interactive session. The Lions players who came were impressed with the quantity of Lions gear and black/orange that Martha Currie displayed.

Track and Field is up and running . so to speak ☺ Our teachers have been providing opportunities for the grades 3-7 students to experience a variety of the events. Please encourage your child to get involved.

Mr. B. Samra and Ms. R. Ladd
(Principal) (Vice-Principal)

Thank you for informing the office if your child will be late or sick. We also have an answering machine, so you can leave a message at your convenience.

Also, if you change your phone number please let the office know.
