Message from the Admin

Thank you to everyone who came out to the Gang Life presentation last night. This is an important topic to be aware of in Surrey. Our grade 7's had their own informative session during the day and will get even more information next week.

We have another Parent Information Night upcoming on Feb. 28th. This will be about Communicating Student Learning. As schools have moved away from Report Cards and Letter Grades and into formative assessment and digital summaries, we would like our parents to be made aware of the progressive changes. Please circle the date.

One of our neighbours mentioned some issues in the alleyway on the south side of the school. That family has noticed that some of our parents are speeding through the alley around pick-up time and garbage is also being left behind. As we want to be respectful to our neighbours, please be aware of the issues.

The Fire Marshall has ordered some "No Parking" signs for our Fire Lane in the Staff Parking Lot because he noticed some vehicles parking there. We have been asked to block off parking in that area. Please be respectful of the school rules and do not park in the Staff Parking Lot (other than medical exceptions).

We look forward to seeing what our students and staff will wear on Wild and Wacky Day next Tuesday!

Mr. B. Samra and Ms. R. Ladd
