Message from the Admin

What a fun week! It started with an amazing Science Fair. We had 179 projects from grades 4 to 7 in the Gym last Thursday. While we were very proud of all the participants, the list of winners is listed elsewhere in this week's WAG. Please feel free to support our four District reps tonight (5-7pm) at KPU (Surrey Campus).

Then on Friday we had well over 130 students enjoy PAC's Movie afternoon. Thanks to all the families who joined us.

Friday was also a fun session of Zumba for many of our classes. Thank to **Mme D. Ariello** for organizing and running the energetic session.

This week, the Basketball Playdays have continued. So far, all tournaments have led to first place finishes for Martha Currie. All players have represented Team Magic extremely well! Thank you to **Mr. J. Rettig** and **Mr. J. Parhar** for coaching the Boys teams this year.

Our D.I. teams have worked extremely hard to prepare for their Fraser Valley Tournament this Saturday. The teams did their dress rehearsal this morning. Good luck to the students and coaches on the weekend.

Classes with CSL reporting will receive a summative report on Wednesday next week. Parents of FreshGrade classes are asked to continue to monitor their digital reporting. You will receive an attendance summary and snapshot on Wednesday.

With only a week left before Spring Break, there is still much to do!
