Our portables are here! We are still waiting for them to become student-ready, but they are on site.

Did you know that our school does Netting Meetings? This is an opportunity for our school-based team to meet with each classroom teacher and discuss every single student in the school. Our teachers are great about knowing your children well!

You may have noticed that one of Staff Parking Lot gates is missing. It is being repaired. If you have an exemption to use the lot, please continue to avoid using this entrance.

Tomorrow is our Terry Fox Run. We continue to welcome donations and volunteers to make the event a success.

Good Luck to our soccer teams next week. They will be participating in PlayDays.

Our Spirit Team will be doing its first Spirit Day next week. In recognition of the Vancouver Canucks hockey team's first home game, we will be having a Canucks Day on Wednesday. We will also be hosting Bike Safety Workshops with a number of our classes next week.

We hope to see many of you at the PAC Meeting on Tuesday. All parents are part of PAC.

Canucks Day
on October 9th
(their first
home game!).

Students/Staff can wear
green or blue or paint their
face to show their support
for the home Team!

Go Canucks Go!

Cross Country reminder: Thank you for all the support from volunteer drivers! Please remember to meet in the gym on Tuesdays after the 2:30 bell to check in (even if you are only driving your child). We have a lot of students to get to the Meet so please assist if you can so that no one has to miss out (we've had several close calls!!)

**Also, it is requested by Fleetwood organizers that parents stay back from the finish line so that students are able to find and check in with their teacher. Please help out by staying back from the finish line. Thanks so much!
