Principal's Message...

This is my favourite time of year. Despite the rain, the colours of Fall are lively and the days bustle with activity as classes are off on outdoor learning adventures – from the Pumpkin Patch to Stewart Farmhouse and exploring fish habitats and the Port of Vancouver. By early November every class will have been on at least one PAC sponsored field trip! Thank you to our wonderful staff for planning these wonderful learning opportunities and our parents and the PAC for supporting these trips! This is what makes our school such a wonderful place for learning.

Cross Country and Soccer have just finished. I am always proud of the great sportsmanship our students display at all sporting events. Your coaches, teachers and I all notice and are proud of you!

Student Led Conferences were this week. I love seeing how much effort each student puts into keeping their parents on track and involved in this sharing of student learning thus far. Student pride was certainly evident in each and every classroom. Students...I hope your parents were good listeners!

Thank you PAC and parents for being so involved with the Entertainment Book fundraiser, the fruit, vegetable and milk program and the much anticipated events for October 31st.

Cheryl Rutherford
