JUNE 11, 2020

In our Montessori school we learn together peacefully and responsibly by caring for each other and the world.

Principal's Message...

Dear Families,

I hope you all continue to be well.

As we look towards the end of June here are a few important deadlines, requests and pieces of information that you will need to know...

Cheryl Rutherford

UPCOMING DATES...

JUNE

- June 12th Deadline: School Supplies & Lost & Found
- June 19th Deadline: Borrowed Technology due back
- June 23rd Grade 7 Celebration Day
- June 22nd – 25th Report Card pick up
- June 25th Last Day of school
- September 8th First Day of school

MOVING?

If you know you will not be returning to Mountainview next September, please let us know as soon as possible via email as we are planning for next year.

School Supplies for the 2020/21 School Year

We are asking families to please hold off purchasing school supplies until we know what school will look like in September. Our Primary teachers will purchase the standard supplies for our Primary classes as has been the tradition – they will not, however, be shared as all students will have to have their own set of supplies. The cost of classroom supplies for Primary students is \$45. We

are not asking for payment until the Fall and then we will set up a schedule for payment if needed. We will send out a request for Intermediate student school supplies in the late August when we have a better idea of what classes will look like.

DO YOU NEED TO CONTACT THE SCHOOL?

Our school telephone hours are from 9am – 2:30pm during school days. Please feel free to contact the school anytime via email at

mountainview@surreyschools.ca

Technology Equipment Loans – all technology must be returned to the school by June 19

The school loaned out iPads and laptops for student use to facilitate on line learning from March through June. As school will be closing for the summer, it is now time to return all technology borrowed from the school.

We are asking families to please return all school technology by June 19.

Report Cards

Report Cards will be distributed during the week of **June 22 – 25**. We will be arranging an outdoor drive by opportunity for families and students to come by to pick up report cards and say goodbye for the summer. Those students in school will have their report cards sent home with them on their last day in class during the week of June 22 - 25. Report Cards not picked up will be stored in the office and handed out in September.

JUNE 11, 2020

In our Montessori school we learn together peacefully and responsibly by caring for each other and the world.

School Supplies Lost and Found –

Items can be picked up from the gym from **9:00 to 2:30 until Friday, June 12.**

Thank you to those families who have picked up school supplies already. There are about ten bags of supplies yet to be picked up.

We are asking that these be picked up by **Friday, June 12.** Those supplies not yet picked up will be donated for general classroom use.

When you come pick up your school supplies, please have a look at the Lost and Found clothing.

On-Line Learning

As many of our students borrowed technology from the school, and it has to be returned by June 19, the week of **June 15 - 19** will be the last week that teachers will be sending out on-line lessons/schedules via Teams, etc. During the final week, June 22 – 25, teachers will continue to see those students who committed to be at school, hand out report cards, spend time outdoors (if it stops raining) with their students, clean classrooms etc.

PAC

Thank you to our wonderful PAC for continuing to work to support our school and for holding virtual Zoom PAC meetings during the COVID 19 suspension of in-class instruction!

NEXT VIRTUAL PAC MEETING:

Friday June 12th at 10 AM.

For more info email mountainviewpac@gmail.com

Grade 7 Year School Leaving

We will be celebrating our Grade 7s on June 23. Our Grade 7s, in groups of four along with their parents, will come to the school to receive their certificates, medallions, and year book on this day. There will be an opportunity for photographs as well. Grade 7 students will receive specific information from their teachers about the event.
