August 24, 2020

Dear Mountainview Parents and Guardians,

We hope you and your family have had an enjoyable, safe summer together. As you know, the B.C. Ministry of Education and Centre For Disease Control have planned for a full return to school for elementary students. All schools will be implementing and following the CDC's Return to School plan to ensure students and staff are as safe as possible.

We recognize that families have differing positions on a full-time return to school. The Surrey School District is asking each family to complete the following survey (link is below) to indicate whether you'll be sending your children back to school. **It is important that you complete one survey per child attending our school.**

Please complete this survey by this Friday, August 28<sup>th</sup> at the latest. The responses will allow our school team to plan staffing and classes based on the number of students returning.

Thank-you for your participation in this survey.

Our school office will reopen on Monday, August 31<sup>st</sup> at 8:00 am. If you have any questions, please do not hesitate to call the school office next week. Once the Surrey School District outlines its elementary plan this week, more details will be emailed to all families and posted on our school website regarding our September startup.

Enjoy the rest of your holiday. We look forward to seeing students soon!

Kind Regards,

Ms. Cheryl Rutherford  
Principal
