"In our Montessori school we learn together peacefully and responsibly by caring for each other and the world."

August 27, 2020

Dear Mountainview Families,

I hope you have all had a wonderful and safe summer holiday.

Very soon we will be welcoming our students back into classes and we are all looking forward to seeing you!

Here is some important information and reminders for our families:

- 1) If you haven't already, please complete the return to school survey sent out to families on August 24. This is important information to help us organize for our return to school.
- 2) If you have changed your minds about either coming to school or not, please call the school on Monday, August 31 to let us know.
- 3) Further information will be coming to families on Monday, August 31 about the plan for Mountainview students' return to school. Please watch for an email from the school on Monday. **Watch for information about where students will meet and class assignments.**
- 4) You will likely see that the district has posted a plan for two orientation days on September 10 and 11. The district has allowed us to amend this plan slightly to reflect our unique school organization.

Mountainview Orientation Days Organization:

Our students from K through Grade 7 will only come one day

Students in Grades K -7 will be in their assigned divisions for this orientation

More information will be provided on Monday for our new Grade 1, 4, and 7 students about class placements and to let you know whether your child is in Group A or B.

While I understand that this might inconvenience some families, having students attend in small groups for the Orientation is to ensure that we are able to maintain physical distancing and limit contact while we finalize classes for the year. This is mandated through Public Health and the Surrey school district. It is important that students attend the orientation day.

More information will be sent out on Monday and throughout the week. Please continue to check for emails and communication from the school on our website.

Enjoy the weekend
