Re: Donation Request for Raffles

Dear Sir/Madam:

Mountainview Montessori Elementary is a public school of approximately 325 students, who come from all over Surrey, as the Montessori program is open to children district - wide.

We raise funds within our school every year for teacher training, school fieldtrips, technology, library resources, sports equipment, and Montessori supplies.

This year we will be conducting monthly Gift Basket Raffles. Please consider donating your product(s) or service(s) for our Gift Basket Raffle to promote your business and help us meet our fundraising goals.

We will proudly display every gift basket item with the donor's name during a 1 – 2 week long raffle ticket sales. The donor and business names will also be included in our newsletter and school community social media.

If you are able to contribute in any way, please contact Cindy Edwards at 778 – 885 - 2495. We are happy to arrange to have your gift picked up.

Thank you in advance for your consideration and generous support.

Sincerely,

Cindy Edwards
Donations Coordinator
