

NORTH SURREY

S e c o n d a r y S c h o o l

Dear Parents or Guardians:

North Surrey Secondary opened the MyEducationBC (MyEdBC) Student Information Portal to allow students and parents access to view their personal information, report cards and to make course selections in a secure online environment. MyEdBC is a secure student information system used in most school districts in BC and follows the rules and regulations of the School Act and Freedom of Information and Protection of Privacy Act. Students and parents can go to <https://www.myeducation.gov.bc.ca/aspden/logon.do> to log on after receiving your password.

In MyEd BC, students, parents and guardians with an account can view:

- class attendance information
- contact information
- some classroom assessment information
- student schedules
- student course requests for next year (in the spring)
- school information
- published report cards

At North Surrey a few teachers are testing MyEd's new features for the student portal. These include:

- class assignments listed and handed in online
- class assessment and feedback online
- communicating student learning and marks
- classroom web pages that contain homework, resources, forum discussions, and so much more.

Students will be able to view up-to-date feedback and assessment of their learning. Please review with your child to learn which of their teachers are using the student information portal. This is one form of communication regarding your child's assessment, teachers are still available to communicate more detailed information directly to you.

Both parents and their child will receive a username and password that will enabled them to login to the student/parent portal. The email you will receive will have the sender listed as "SysAdmin." If you do not receive the email from "SysAdmin," please check your junk folder. Instructions for accessing the portal and setting a password are included in the email. The Surrey School District has help pages on their website under the following link: <https://www.surreyschools.ca/Departments/ESIS/parentsandstudents/Pages/default.aspx> For those students or parents who require further assistance, please send an email with your student's name to: northsurrey@surreyschools.ca

If you require additional information, please contact me at the school.

Sincerely,
Darren Bedard
Principal
