

Dear Parents/Guardians and Students,

The end of the school is fast approaching. We would like to thank our students for continuing to adjust and work their way through this new way of learning, and the parents/guardians for your endless support and flexibility. This letter is to inform you of some important events/items that will be happening as we move towards concluding the school year.

## **Final Weeks of Instruction**

### **Week of June 15 – 19**

This week will be our final week of in-school “support sessions”, for students who would like to sign up with their teachers. Our last day of regular classes will be on Friday, June 19th. The focus on this week is “closure” as teachers bring this year’s learning to a conclusion and have students complete any final learning activities. A reminder to students to please connect with your teacher if you require any support for your online classes.

### **Week of June 22 – 25**

The traditional “Semester Completion Days” are available on June 22 & 23 (Mon & Tue) to allow students to submit any outstanding work. Our anticipation is that this week (June 15-19) will provide ample time for students to address any learning shortfalls, but these two days are available nonetheless.

### **Locker Clean out, Textbooks and Library Books Returns**

We have sent home a schedule this week for students to have an opportunity to clean out their lockers and return textbooks. Please refer to this schedule. We cannot stress enough that we need all textbooks and library books returned by June 19th. These are a valuable resource that the students will need next year.

### **Technology – Return**

Each student who borrowed a laptop during remote learning must return the device to the school on Friday, June 19 between 10:00 a.m.-12:00 p.m. Laptops can be returned directly to the Main Office during week support session times as well. Please ensure all devices are returned with the charging cable included.

### **Yearbooks**

At this time, we do not have a date for yearbook distribution. The problem we have encountered is our publisher is running behind in printing and delivery of the books. We are hoping to have them before June 26th, and we will notify students and families when they have arrived and provide more information about their pick up.

## Report Cards

Report Cards will be published on MyEdBC parent portal on **June 26th**. On the “Final Report” cards, students and parents will see a final mark as well as a comment. Year-end marks are a snapshot of where the student is with regards to their achievement. Final marks will include work completed before Spring Break as well as work completed during remote learning. If you have any questions regarding your child’s assessment and final mark please contact the teacher directly.

## Grad 2020 Virtual Commencement

We are excited to see our graduates on **June 24<sup>th</sup>** for their commencement ceremony. We are asking our Grads to pick up their cap and gowns on **Tuesday, June 23 from 9-11am** in the small gym. Please access the small gym via the outside door. Please see our school website under announcements for more information regarding Commencement.

## Contact with School & Staff

Although the school is accessible, this is for vulnerable learners and parents (only with an appointment). The Main Office is open from 8:30 am to 2:30 pm. If you have any questions or wish to make an appointment, please call us at (604) 581-4433, or e-mail the school at: [northsurrey@surreyschool.ca](mailto:northsurrey@surreyschool.ca).

Take Care,

D. Bedard  
Principal
