

BASES

Program Overview (2021-2022)

BASES – Building Academic, Social, Employment, and Life Skills

BASES Program Goals:

- Building life skills such as cooking, riding public transportation and managing time and money.
- Building connections and learning safety in the community by going on outings and field trips.
- Having meaningful interactions and creating relationships with peers.
- Building the necessary skills to initiate tasks, become responsible and make sound decisions.
- Building basic numeracy and literacy skills.

Demonstration of a partial understanding of content and skills necessary to achieve related IEP goals.	Demonstration of complete understanding of content and skills necessary to achieve related IEP goals.	Demonstration of outstanding knowledge and skills necessary to achieve related IEP goals.
Grade 8-9	C	C+	B	A
Grade 10-12	60-66%	67-72%	73-85%	86-100%

Communication with teachers:

There are two formal opportunities to meet with BASES teachers at IEP meetings in the fall and in the spring. However, feel free to contact Ms. Molloy at 604-507-5881 throughout the school year. I would be happy to discuss the student's progress by email, on the phone, or in person.
