

# ÉCOLE PANORAMA RIDGE SECONDARY SCHOOL

---

*Learn to live; live to learn*

September 15, 2021

Good evening Grade 8 Parents,

At the start of a new school year it is our custom at École Panorama Ridge Secondary to host a Grade 8 Parent Night and invite you to the school to meet the administration, counsellors, and grade 8 teachers. In the absence of being able to gather safely in large numbers at this time, our staff have put together information for you in video format. It is our hope these will be of interest and helpful to you.

We invite you to watch the Grade 8 Parent Night video (link below) where the Administration provide information on our school's vision, mission, code of conduct, student health and safety and how students can get involved. After watching this first video we encourage you to watch each of the videos created by the different departments.

If you have questions after watching the videos, please feel free to reach out to your student's teacher directly. All staff email addresses can be found on our school website: [Staff Contact List](#)

We look forward to working with you over the next five years in supporting your student's educational journey.
