

2020-21 École Panorama Ridge Secondary School Student Registration

As many parents and guardians are aware, the student population at *École Panorama Ridge Secondary* exceeds the capacity of the school, and the enrolment pressure at the school continues to grow. In order to accommodate as many students as possible within the current school site, the school will be accepting registrations in priority order consistent with the school board's regulation #9320.1 (Registration and Placement of Students). For the 2020/21 school year:

1. Students currently attending Grade 7 at an *École Panorama Ridge Secondary* associate elementary school as of January 1, 2020 will automatically be enrolled at *École Panorama Ridge Secondary* unless parents/guardians inform their current school otherwise. If registered at a Feeder School after January 1, 2020, registrations must be done in-person at Panorama Ridge Secondary with all required documentation
2. As space permits, a sibling of a child who attended *École Panorama Ridge Secondary* in the prior school year and will continue to be enrolled in the school in the 2020/21 school year, provided the sibling resides within the Surrey School District, can register for *École Panorama Ridge Secondary* beginning February 3, 2020.
3. For all other applicants living in-catchment (new to the area, etc.), a **waitlist** will be maintained through the following process:
 - a) Parents/guardians can register students in person at *École Panorama Ridge Secondary* beginning February 3, 2020.
 - b) Registrants will be put on a wait list and prioritized according to board regulation #9320.1.
 - c) As space permits, students on the waitlist will be contacted and enrolled at *École Panorama Ridge Secondary*.
 - d) In-catchment students unable to be accommodated at *École Panorama Ridge Secondary* for the 2020/21 school year will be accommodated at another high school. Parents/guardians may also choose to register at another Surrey Secondary School providing there is space at that school.
4. *École Panorama Ridge Secondary* will not be accepting out-of-catchment registrations (except siblings of existing students as described in item 2 above).

The continued growth in the Panorama Ridge area remains a challenge for the Surrey School District. École Panorama Ridge Secondary will accommodate as many in-catchment students as possible.
