

Did you know that the proceeds from our PAC fundraisers, like Western Family Fun Night, help us help our school to:

- Pay for school buses for school trips.
- Add fun equipment (like smart boards) for our classrooms to enhance learning.
- Support individual classroom field trips.

So why not help us in making all of this for your children and to make our school GREAT?!

We are still need of several volunteers to help with Western Family Fun Night. If we don't get this help, we will have to look at cancelling it.

Please volunteer, come out, have fun, and help make this event and our school a success. 😊

If you can volunteer, either during the day of May 18th or for shifts at the event between 4:00 – 8:00 pm, please write your name and number below, return this information to the school office and a member of the PAC will be in touch.
