**Deadline to Order:** This Wednesday, February 25th

**Deadline to Get Your Money In:** This Friday, February 27th

## Pub Night and Auction

The Grade 7 parents have been busy planning a great night out for parents this Saturday at Sawbucks Pub. You can still buy your tickets! Don't miss out on your chance to **bid for a signed Canucks Hockey Stick** and other great auction items. This event is open to all parents and is a fundraiser for the end-of-year Grade 7 camping trip to Camp Stillwood. See the attached flyer and get your ticket order in asap.

## Wizard of Oz DVDs - Delivery

Every family at Ray Shepherd will receive a DVD package that will contain 2 discs, one for each cast (Tuesday and Wednesday afternoon performances). The DVDs should be delivered to your child in class before Spring Break (let's cross our fingers). If you ordered extra copies, they will be delivered at that time too.

In addition, the yearbook will feature 4 full pages of photos from the play—backstage, make-up, and the performances. Our yearbook photographers were busy taking photos throughout the dress rehearsals and backstage, so you'll want to be sure to order a yearbook in May.

## Spring Cleaning - Save Your Stuff!

Every year in the Spring, we hold our Clothes Drive for the DDA. This year, we are going to have our own swap meet, so collect all of your gently used items (clothes, books, small housewares) and put them in the bags that will be distributed shortly! On April 16th, you can bring in your items to donate to Ray Shepherd. On April 17th from 2-6 pm, we'll have a Book Swap & Kids Stuff Swap where one's persons cast-offs will become your new treasures. After that, the rest of the items will go to the DDA who will collect our items on the morning of April 20th. So, Spring Clean and keep your items for our Swap Meet.

## Green Earth Organics

Be sure to check out our info sheet on Green Earth Organics and sign up today. Think of the ease of ordering your organics online and having them regularly delivered to Ray Shepherd. This program will benefit you and Ray Shepherd!

## Yearbook Photographers - Are You Out There?

The yearbooks at Ray Shepherd are very popular but we can't do it without you. If you have any photos from Ray Shepherd activities, please be sure to submit them to our Yearbook Team. The Yearbook Team works on putting the book together all year, and we rely on photos submitted by you! We especially need parent photographers at the primary levels to take photos of important events!

Share your photographs with the Yearbook Team by contacting me at [owg@shaw.ca](mailto:owg@shaw.ca). Photos can be submitted at any time, preferably on a flash drive or SD card. Your media will be returned promptly (be sure to label it with child name and Division number).

Do you have graphic arts skills? You may be interested in putting one or more of our collage pages together. Feel free to contact me to find out more! As this is my last year at RS, I am looking forward to helping a new Yearbook Coordinator take over the reins. Think about it!

Thanks! ~linda
