

## PLANNING / REQUIREMENTS

Sullivan Heights Secondary

Grade 9

2021-2022

### **Required Courses:**

Each Grade 9 student is required to take the following courses:

- Humanities 9
- Mathematics 9
- Physical and Health Education 9
- Science 9

### **Elective Courses:**

Each Grade 9 student will request three elective courses from the course Catalog.

### **Advice from Counsellor:**

- If you plan to attend University immediately after graduation, include a second language course as one of your electives (French 9 or Spanish 9)
- Remember to choose alternate electives in case you do not get the courses you initially requested.
