Partners 36 Scholarship Application Process 2019 April 9th Deadline

Surrey Schools is pleased to offer a number of scholarship and bursary opportunities to its graduates, called **Partners 36 Scholarships**. They are made possible through the contributions of individuals, corporations and community service organizations directly to the school district.

Sullivan Heights can put forward 1 application to be considered for each scholarship. Students interested in applying for a Partners 36 scholarship need to visit [https://www.surreyschools.ca/departments/BDEV/Community Information/scholarships/Pages/default.aspx](https://www.surreyschools.ca/departments/BDEV/Community%20Information/scholarships/Pages/default.aspx) to find the applications.

Applications must be typed and must include an interim mark printout (early April) from your semester 2 teachers and your diploma verification document, and any additional requested documents for that application.

You can request a print out of your Diploma Verification from the career centre. Ms. Duckett the Career Centre Assistant can help you print this.

You can apply to more than 1 scholarship but need supporting documents for each you apply for.

Submit the application + documents and your interim marks printout to Ms. Rogerson in the Career Centre before **2pm on Thursday April 9th**

If you have questions about this please stop into the career centre or email Ms. Rogerson rogerson_s@surreyschools.ca
