

November 10, 2020

Hello Sullivan Community,

I hope this communication finds you well. As we near the end of Quarter One and move into Quarter Two I want to take a few minutes to both remind you of some important items and share information with you for our next quarter.

Some Important Reminders

Quarter Completion Day - Friday, November 13

This is considered a day for students to demonstrate their proficiency in their respective courses so only those students who are required to attend that day should be here. You should have received some form of communication if your child has been asked to attend school on Friday.

Quarter 2 Begins / Early Dismissal Day - Monday, November 16

This coming Monday is the start of Quarter 2 and an *Early Dismissal Day*. Please refer to our website for our Bell Schedule for Quarters 2 & 3. Take note that we are now heading into our *Extended Days for Grades 10 - 12 students*. Period 1/Blended Learning starts at 7:50 am. Those with a Period 5 class the day ends at 4:00 pm.

Students Logging into TEAMS

For any Grade 10 - 12 students with blended classes in Periods 2 or 5, you should have received some communication from your next Quarter teachers. ***Please make sure to check your surreyschools.ca email account for how to access your next quarter TEAMS.*** Please communicate directly with your Period 2 or 5 teachers with any questions.

The next 20 weeks may be more challenging for some of our students as the demands of schoolwork increase within our extended days. Please be mindful of this and if you need anything, reach out to us, and let us know. We are here to help. As always, I want to thank our families for your continued support of the Sullivan Heights Community.

Take good care and stay safe,

David Baldasso
Principal
