Re: Surrey Community College Education Assistant Practicum Placements

The Surrey Community College is part of the Continuous Learning Department in the Surrey School District. We have shortened our Education Assistant program this year from 9 months to 5 months in order to train more Education Assistants so they can work in your schools.

We have space for 240 students per year. That is 480 practicum placements per year.

Practicums for 2018-2019 school year are scheduled for:

| | | |
|-------------------------|--------------|---|
| October 1-25 | Practicum I | 90 students |
| November 5-30 | Practicum II | 28 students – last class in 9 month program |
| January 7-31 | Practicum II | 90 students |
| March 4-15 & April 1-11 | Practicum I | 120 students max – we are still registering |
| May 21-June 13 | Practicum II | 120 students max – we are still registering |

Thanks so much to all principals & staff who accepted students for the October and November placements. We will start asking for January placements in November.

Thanks
