

Passion, Tenacity, Curiosity, and Growth mindset, these are the values instilled within us by our beloved Mr. Singh.

The care and belief he had for his community was unparalleled to any other. His presence ignited sparks within his students to achieve their best.

Now the shadow that he had formed behind us has lifted, but his words, memories and morals will forever remain instilled within our hearts.

Thank you for always being the pillar of our school, thank you for always motivating us all and believing in us. Never will we forget the endless sacrifices you have made for your staff and students and never will we forget the values and morals taught to us by you.

*Caring Community, Engaged Learners, Inspired Citizens*
