June 3rd, 2020

To All Our Graduates and their Families,

Due to the present circumstances surrounding COVID-19 and physical distancing, our ability to come together and celebrate Commencement at the Bell Centre in the traditional fashion is no longer possible. Instead, on Tuesday, June 23rd and Wednesday, June 24th students and their families will be invited by appointment to join Administrators and Staff to celebrate our June 2020 Commencement at Tamanawis Secondary School. A map is attached as to the flow of families and students.

To ensure physical distancing, graduates and their families will be given an exact time at which they are to arrive at the school. The time will be based on alphabetical order of Graduates and the number of Graduates and families attending. Once Graduates have confirmed they will be attending, the times will be scheduled, and families will be informed. The link below can be used to confirm your attendance. Please fill out this form by Sunday June 7th:

On Thursday, June 18th and/or Friday, June 19th Graduates will be asked to pick up their Cap and Gown from the school. At that time, Graduates will also be picking up their yearbook, Grad hoodie, and a more detailed plan of the ceremony so they know what to expect upon arrival. Again, more detail will come to you as to how dispersal will take place.

Sincerely,

K. DeBoice
Proud Principal
