

SHOP AHEAD FOR SEPTEMBER

To help students be ready to learn and stay organized, it is strongly recommended that the following supplies be purchased:

- 1-1/2 Binder for each academic subject
- Loose Leaf Paper (regular lined with a margin)
- Dividers for subjects
- Pens & Pencils
- Basic function calculator (simple scientific is best)
- Pencil Case (kind that snaps into a binder is preferable)
- 2 Highlighters
- White Eraser
- Ruler (metric)
- Pencil Crayons and Felts
- Pocket Dictionary

ADDITIONAL SCHOOL SUPPLIES

Gym Strip: Appropriate gym strip includes a T-shirt, shorts, socks, and a pair of good all-round running shoes. Students are reminded that they must change prior to, and at the end of, each P.E. class.

Pre-Calculus or Foundations of Math 12: It is strongly recommended that students taking Math 12 purchase their own graphing calculator. (The class will be using the TI-83 or TI-83 plus.) Calculators will be available for use during class time for students who do not have their own, but they will not be signed out. If students have any questions, please contact Mr. Welch at the school.
